

## Registration

Name: .....  
                     Given                      Middle                      Surname

Affiliation: .....

Mailing address: .....

Telephone: .....

Mobile: .....

Fax: .....

E-mail: .....

Paper entitled: .....

### Purpose

- Attendance
- Attendance and presentation
- Oral Presentation     Poster Presentation

theme.....

### Registration Payment

Check or payment to saving account or money order:

**“Environmental Engineering Association of Thailand”**

- Bank Transfer: Savings Account No. **053-1-24040-3**, Bank of Ayudhya Plc., Klong Prapa Branch
- Bank Transfer: Savings Account No. **056-2-32298-0**, Siam Commercial Bank Plc., Aree Sampan Branch

## Registration Fees

### Presenter

Classification	After April 15 Till 30 April 2019	Early bird Before April 15, 2019
<b>Thai</b>		
<input type="radio"/> EEAT member	4,000 Baht	3,000 Baht
<input type="radio"/> Non or expired member	4,500 Baht	3,500 Baht
<b>International</b>		
<input type="radio"/> Participant	US\$ 400	US\$ 350
<input type="radio"/> Student	US\$ 200	US\$ 175

### Participant

Classification	After April 30 Till 10 May 2019	Early bird Before April 30, 2019
<input type="radio"/> EEAT member	3,500 Baht	3,000 Baht
<input type="radio"/> Non or expired member	3,500 Baht	3,500 Baht
<input type="radio"/> Student	3,500 Baht	2,500 Baht

### Remark

- ❖ Registration fee include vat 7%, CD and abstract proceeding, CD of full paper, coffee/tea break, lunch and welcome dinner.
- ❖ Registration fee is for one paper/presenter.
- ❖ Registration fee is not in the scope of tax withholding.
- ❖ Participants received permission from their own agencies can be attended without the leave counting and have the right to reimburse the registration fee and other expenses in accordance with the governmental regulations.

# 8<sup>th</sup> International Conference on Environmental Engineering, Science and Management

Call For Papers

**May 23-24, 2019**  
The Twin Towers Hotel  
Bangkok, Thailand

*For Thai Professional Engineers,  
Council of Engineers will give PDU of 14 units*

Organized by

**E**nvironmental Engineering Association of Thailand (EEAT) was founded in 1983. The main purpose of EEAT is to serve as environmental engineering professional center, providing educational and technical informations and technologies on environmental pollution protection and control as well as environmental management. As the environmental subjects have been national and world wide concern, EEAT will be the platform for knowledge management of environmental concerns by organizing the annual **International Conference on Environmental Engineering, Science, and Management**. The objective of the conference is to share and exchange knowledge among researchers, scientists, engineers and other practitioners by presenting research work and practical case studies in the conference. This can be benefit for not only solving the national and local environmental problems, but also strengthening the network of environmental institutes, organizations, and other related ones. Moreover, this 2019 conference is a special event that EEAT is going to organize international conference in conjunction with national conference. It thus will be international knowledge collaboration as well.

**T**he 18<sup>th</sup> National and the 8<sup>th</sup> International Conference on Environmental Engineering, Science and Management is hosted by Faculty of Engineering, Southeast Asia University, with co-host by Ministry of Natural Recourse and Environment, Ministry of Science and Technology, Ministry of Industry, Ministry of Energy, Pollution Control Department, and Office of Natural Resources and Environmental Policy and Planning. The conference will substantially consist of keynote/invited speakers, oral and poster presentations.

- ✦ Eco-Innovation
- ✦ Eco- Industry
- ✦ Smart city/Smart building
- ✦ Water and wastewater treatment technology
- ✦ Air and noise pollution control
- ✦ Waste technology and management
- ✦ Hazardous waste management, site contamination and remediation
- ✦ Climate change and global warming
- ✦ Environmental management, water resource management, water quality management
- ✦ Pollution prevention, cleaner technology, industrial ecology, LCA
- ✦ Engineering law and inspection
- ✦ Environmental policy and related issues
- ✦ Advanced technology for environment (sensor and detector, nanotechnology, biotechnology, etc.)
- ✦ New emerging pollutants and contamination in environment
- ✦ Environment and energy
- ✦ Natural disaster prevention
- ✦ Coastal management and resilience

### Participants

Academia, Researchers, Scientists, Engineers, Economists, Sociologists, Lecturers, Students, Entrepreneurs, Consultants, NGO, Officers, and other interested persons

**December 17, 2018** First Announcement

**February 15, 2019** Abstract submission deadline

**March 15, 2019** Authors notified of acceptance

**April 15, 2019** Full paper submission deadline  
and early registration deadline

**May 23-24, 2019** Conference

### Call for Papers

Authors are cordially invited to submit extended abstract of 2 pages (on A4 or 21.0 cm x 29.7 cm paper) 2 columns. View more details at [www.eeat.or.th](http://www.eeat.or.th)

### Conference Secretariat

**Environmental Engineering Association of Thailand (EEAT)**

122/4 Soi Rawadee, Rama VI Road, Samsen Nai,

Phayathai, Bangkok 10400, Thailand

Tel : (662) 617-1530-1 Fax : (662) 279-9720
